

# Gershman Day Care, Inc.

## Contract

Maria de los Angeles Gershman

### **PHILOSOPHY:**

I am taking a mentor role to your child. I will be making reinforcement in the skills that he/she might need to survive in today's society. For example, respect adults as well as children within their own age, share toys at home, someone else home, and at the day care. Do not hurt someone else feelings, etc.

### **TO PARENT(S):**

Contract can be terminated without a reason by the parent or the care provider at any time.

I will operate in a week trial period. That is to say I will give myself a week to respond to your child needs. If I feel I cannot provide with the best suitable environment for her/him I will let you know by the end of the week or sooner.

The children will discipline in the following way:

I will approach each child that is not behaving properly and both he/she and I will be able to come up with an understanding of what we are doing wrong.

If we do not happen to agree in this way then a timeout will be given to the child to be half their age in minutes.

Payment will be required by the end of the week and/or by the end of the day for daily service.

Child rate holds only from 6:00 a.m. to 6:00 p.m. on Saturday and Sunday and 3:00 p.m. to 7:00 p.m. on Monday – Friday.

Parents, be aware that extra time is only available for emergencies.

Late fee penalty will be added to your day or weekly bill. The rate will be 5 dollars/30min.

Prices are subject to change.

No child will be accepted to be in my day care without having proper immunization documents from the child doctor.

Deposit is required for a week in advance.

Please provide me a set of clothing for your child daily as you think is appropriate for their age.

Medicine will only be given to the child with a prescription note from your child's doctor or non-prescription medicine will be given with a parent's signed note and dosage required.
